STARLIGHT SCHOOL #2

- Date: 15th - 19th April 2024
- Duration: 5-day learning experience + 2 days travel
- Destination: Pragelato, Italy
- Topics: experiential tourism, territorial marketing, and experience box

The second school of the STARLIGHT project took place in Pragelato, Italy, from the 15th to 19th April 2024. The fourteen participants, arriving from Austria, Bulgaria, Germany, Hungary, Italy and Spain, were hosted by GAL Escartons and Valli Valdesi (GAL EVV) and Italy's National Institute for Astrophysics (INAF), i.e. the two Italian partners of the STARLIGHT project.

During the week, the STARLIGHT participants had the chance to visit the territory of the Chisone Valley, especially Pragelato, Usseaux, Pomaretto, and Fenestrelle, and to meet with experts and local stakeholders in order to broaden their knowledge about experiential tourism and territorial marketing.

Indeed, taking inspiration from the local territory, history and legends, the STARLIGHT participants developed a Dahu-themed Experience Box consisting of three experience packages, i.e. *In Search of the Dahu*, *Night & Natura*, and *Daherbs*, which, on the last day of the STARLIGHT Spring School, were presented at the final multiplier event hosted by Confcooperative Piemonte.
